

Lucky Horseshoes

Donate a gift card and help your child's classroom win a free dress day and a chance at an extra recess.

How does Lucky Horseshoes work?

The night of MARQUEE, you will be able to buy your lucky horseshoe punches. Pick your horseshoe, punch it out of the board, and see what you have won! Attached to the horseshoe will be a gift card(s) valued between \$25-\$50. One gift card will be valued at \$100!

To make this game successful we ask for donations of gift cards. Can you help us?

Classroom incentives this year:

- Each classroom that collects a total of seven (7) gift cards OR the equivalent of \$175 will earn a FREE dress down day for the entire classroom!
- The classroom with the highest percentage % of participation will also earn an extra recess!

How to donate gift cards to MARQUEE?

-Purchase cards through our RAISE RIGHT (formerly Scrip) PROGRAM. Please fill out the form on the back of this letter and return it to the school or parish office in the attached envelope.

Purchasing gift cards through RAISE RIGHT is easy and convenient. The cards will be delivered directly to the MARQUEE committee. There is an added bonus to utilizing the RAISE RIGHT program, MOQ receives back a portion of the gift card sales. Percentages differ per retailer and are listed on the form.

OR

-Donate gift cards that you have purchased or any unused cards that you already have at home. Please return the cards in the attached envelope. Be sure to fill out the form on the back to show value and family info to ensure it is included in your child's classroom total.

Please prayerfully consider donating one or more of these gift cards to make the game a success. Help your child win a free dress down day, and possibly an extra recess.

All RAISE RIGHT orders and gift card donations are due by Friday, January 27, 2023. If you have any questions, please contact a Lucky Horseshoes Chair.

Thank you for your support. The success of MARQUEE would not be possible without YOU!

Raise Right Chairs,

Tami Kock
