

Stewards of God's Gifts.

Generosity isn't limited to financial gifts — we are all called to live the mission of Mary Our Queen by making Missionary Disciples Of Jesus and promoting the life of our Parish.

Your annual renewal of stewardship is important to the life of the Church, as we all have our own unique skills and interests to bring to the table. Please consider sharing your God-given time and talents so we can live, teach and share the message of Christ. For more information on how to serve within our parish, please visit <https://moqchurch.org/serve/> or call the parish office.
